INDIA'S PREMIER ONLINE MANUFACTURER– DISTRIBUTOR BUSINESS SUMMIT 2026

50+ Manufacturers | 500+ Verified Distributors | Unlimited Growth Opportunities

One Platform. Hundreds of Business Connections.

India's Premier Online Manufacturer–Distributor Business Summit is a unique virtual networking platform designed to connect 50+ manufacturers with 500+ verified distributors from across India. The summit provides manufacturers with a dedicated **10–15 minute presentation** slot to showcase their company, products, specifications, unique benefits, and distributorship opportunities directly to a highly targeted business audience.

Following each presentation, manufacturers and interested distributors participate in a live **Q&A session**, enabling meaningful discussions, business inquiries, and partnership exploration. To maximize business opportunities beyond the event, participating manufacturers also receive access to the distributor database, allowing them to continue conversations and build long-term distribution networks. The summit serves as a powerful platform for lead generation, market expansion, brand visibility, and strategic business growth—all from the convenience of an online format.

PRECESS OF WHOLE BUSINESS SUMMIT

1. Live Manufacturer Presentation

Each manufacturer receives a dedicated 10–15 minute presentation slot to showcase:

- ◆ Company Introduction
- ◆ Product Portfolio
- ◆ Product Specifications
- ◆ Unique Selling Points (USP)
- ◆ Business Benefits & Profit Margins
- ◆ Distribution Opportunities
- ◆ Marketing & Brand Support

Present directly to an audience of 500+ distributors actively seeking new products and business opportunities.

2. Interactive Q&A Session

Following the presentation, distributors can interact directly with manufacturers through a live Q&A session. This allows distributors to:

- ◆ Ask product-related questions
- ◆ Understand pricing and business models
- ◆ Discuss territory availability
- ◆ Explore distributorship opportunities
- ◆ Build direct business relationships

3. Distributor Database Access

After the event, participating manufacturers receive access to the distributor database, including:

- ◆ Distributor Name
- ◆ Company Name
- ◆ Contact Number
- ◆ Email Address
- ◆ City & State
- ◆ Business Category

This enables manufacturers to continue discussions and convert prospects into long-term business partners.
